

# PYROTECHNICS OPERATOR TRAINING COURSE

Saturday May 2, 2026

**SIX FLAGS FIESTA TEXAS, SAN ANTONIO**

**1:30 - 8:30 PM**

Whether you're a seasoned pyrotechnician, an AHJ tasked with safely supervising your city's local display, or someone who is interested in learning how to join this exciting industry, attending our training seminar is one of the most important steps you can take to ensure the safety and success of your display. Whether your organization produces its own shows or hires a display company to present a complete turnkey multimedia pyromusical, you will benefit from this intensive, hands-on learning experience. From the basics of fireworks to wiring the most spectacular finale ever imagined, you'll gain a complete understanding of how to successfully operate a fireworks display.

**Cost: \$40 per person (Members of the Fire Service may attend free of charge)**

**Complimentary admission for family members to Fiesta Texas is available upon request**

**SCHEDULE:**

- 11:30 AM - 5:15 PM | Classroom Instruction
- 5:15 - 6:00 PM | Dinner Break
- 6:00 - 8:00 PM | Practical Demonstrations & Loading
- 8:30 PM | Fireworks Show provided by Precocious Pyrotechnics (U.S. manufacturer)
- Reps available before & after class to discuss product needs

**Fire Service / AHJs:**

- Certificate for continuing education hours
- Practical checklist for safely reviewing firework show permit applications and onsite setup

**Pyrotechnicians:**

- Certificate and credit for assisting in the set-up of a display (counts toward TXSFMO license)
- Practice skills test for licensing exam prep
